

BISHOPSTROW COLLEGE

A pathway to excellence

Senior Girls' Netball Match Report: Sherborne International vs Bishopstrow College

On Thursday evening (February 22, 2018), two Bishopstrow teams competed in a fixture against two teams from Sherborne International College. Team 1, captained by Yo Yo, consisted of Jasmine, Selina, Pim, Jk, Ka yi and Liza, whilst an equally strong Team 2, captained by Karen, consisted of Alina, Dasha, Angela, Nene, Rao and Sunny S.

The first game saw Team 1 go up against a side from Sherborne in a very competitive game. Both teams played extremely well and gave their all. Yo Yo led the team very well, showing great communication and leadership skills. Jasmine scored the points for Bishopstrow and Pim made great interceptions and marked the opposition players tightly. However, despite a good performance, the girls sadly came up short with the final score finishing 6-4 to Sherborne. The girls performed extremely well against a strong side and as the score shows, the game was very even throughout.

The second game saw Team 2 come up against another Sherborne side. This again proved to be a very close encounter, with both teams giving their all to get a good result. Karen, playing Centre, communicated well with her team and moved into spaces to set up attacks for her team. Dasha and Alina showed brilliant teamwork skills in attack, continually evading the Sherborne defenders to set up shooting opportunities. This, coupled with some great defending skills from Nene, ensured Bishopstrow came out with a 6-4 win.

Overall, the girls managed to win one and lose one by the same score line, meaning the final result stood as a draw, which was fitting for the competitive nature of the games and how even both games were with both teams giving their all. All the girls should be commended for their great team play and commitment to help get a positive result for Bishopstrow.

Well done girls!
