

ACADEMIC SUMMER PROGRAMME

We still have a few places available on our Academic Summer Programme with start dates on the 18th June or 22nd July. The Programme provides international students with the best possible start before continuing on to their destination school in September.

The Academic Summer Programme, which lasts 5 weeks, is aimed at international students who will either be joining a British boarding school in September or those who wish to experience a British education in the summer. The Programme provides an ideal setting for learning enrichment and enjoyment and combines academic English learning with academic subjects, including Mathematics, Science and the Humanities.

A Study Skills module for senior students (aged 14-16 years), with an upper intermediate level of English provides an excellent preparation for international students before they commence their GCSE or A Level studies or the IB Diploma Programme.

The academic programme is complemented by a varied programme of creative activities, sports, social programme and excursions.

Activities offered range from **boat building and arts and crafts to dodge ball**. Morning and afternoon clubs include 'The Crazy Scientist Club', Chess Club and Debating Club. Weekend activities include fun swimming, country walks, outdoor cooking and survival simulation games.

Sightseeing, cultural visits and even shopping provide contexts within which speaking and

listening skills are put to the test; they are also great fun and provide memories to last a lifetime.

Excursions may include:

- London museums and art galleries
- Cycling and orienteering
- Outdoor activity centres
- Trips to the beach and coastal walks
- Visits to neighbouring towns and cities, such as Bath, Bristol, Cardiff, Oxford and Salisbury

Although the focus of the Academic Summer Programme is on academic progress, the varied social programme and exciting range of activities and excursions ensure that students have a stimulating and rewarding summer experience.

Benefits of Bishopstrow

- An opportunity to experience a traditional school environment
- Outstanding academic preparation
- Maximum 8 to a class for English
- Entry in either June or July for 5 weeks
- Easy access to international airports
- Hard work but lots of fun!

Please do not hesitate to contact: tessahv@bishopstrow.com if you would like further information.
