COLLEGE

Science Teacher to Teach Key Stage 3 and 4

Full-Time and Part-Time Applications Considered

Closing Date for Applications: 5 May 2023

Appointment Date: 19 June 2023

The candidate is also required to take part in an induction period from 29 May to 9 June 2023.

Bishopstrow College is looking for an outstanding Science Teacher who can inspire, motivate and engage international students.

We are seeking a Teacher of Science who will be able to lead our Middle College students (Years 7-9) through the curriculum and our Senior College, Key Stage 4 students pursuing a one-year IGCSE syllabus to successful completion. The position can be full-time and permanent, although part-time candidates are also encouraged to apply for the position.

Bishopstrow College is a fully residential co-educational college preparing young international students aged 7 to 17 years, who do not have English as their first language, for entry to the best boarding schools in the UK. We operate an innovative four-term academic year, intensively preparing students in small classes for entry to top independent schools. The College is accredited by the British Council and ISI.

The role comes with 8 weeks paid leave during College closure periods.

Salary: Bishopstrow College has its own competitive salary scale.

All placements are subject to enhanced DBS clearance.

The College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
